Report of Principal and School Improvement Council

McCracken Middle experienced another tremendous year.

McCracken continued to have one of the highest number of students recognized for academic excellence by the Junior Scholar program.

Our School Improvement Council took an active role in our moving forward. We continued to focus on safety, with visits from the police chief, district director of protective service, and district coordinator for student services.

School uniforms were implemented this year.

Our athletic teams once again brought home numerous championships, including our softball and baseball teams.

We continue to maintain a student body of 1,200. This has given us a greater opportunity than ever to make an impact with our middle school students.

The opportunities continue to grow as McCracken becomes better and better.

Thank you all for being so supportive as we truly get closer to being the best middle school ever!
